One of our Chapter goals is to encourage and support projects and service opportunities to highlight historic preservation, education, and patriotism in unique, local, and impactful ways. In order to do this . . . we need your help and expertise in any of the interests listed below.

Also, the United States stands on the eve of a grand anniversary – and DAR is preparing to **Celebrate Stars & Stripes Forever** in a big way! The National Society established the America 250! Special Committee to plan DAR’s involvement and maximize its visibility during our nation’s upcoming 250th birthday. The America 250! Committee offers an opportunity for every member in every chapter to participate in honoring our Patriots and increasing membership as we "Rejoice in Our DAR Ties of Service and Friendship". If you would like to be on our Chapter’s committee and/or submit ideas for our Chapter, please check AMERICA 250 below!

OUR CHAPTER NEEDS: Members to be on the Nominating Committee for 2025 – 2027. Please consider being on this committee, as we will need to find new officers for the positions of Regent, Treasurer and Recording Secretary. The Regent and Treasurer have been in office for 3 terms (6 years), the maximum allowed by our Bylaws.

Also, please consider volunteering for one of the open board positions. We need to keep our Chapter involved, especially to celebrate the United States 250th Anniversary! We would like nominated officers voted on in February so the new board members can be mentored for a few months by the outgoing board members.

THANK YOU!
