

Introducing . . . **Patriotic Paul and Revolutionary Ruth!**

In 2026, America will commemorate 250 years since the signing of the Declaration of Independence and the development of a new nation dedicated to "life, liberty, and the pursuit of happiness."

"Paul" and "Ruth" want to visit as many historic sites as possible in order to learn about 250 years of American history! Your job is to locate sites connected to American history and take photos of Paul and/or Ruth at those sites. This is a fun project for all ages!

The historic sites can be well-known OR they can be little-known places right here in our community! If you're traveling, take Paul or Ruth with you! They want to visit historic sites all over the country and from all different periods of American history.

Please share your pics on social media using the hashtags #DARPaulandRuth and #America250. You can also email your pics to jsjoines@gmail.com so they can be posted on the ISO social media page! Remember . . . all photos of children require a signed photo release (NSDAR-1000, April 2025), before chapters can use the photos. One can be found at <https://www.dar.org/system/files/members/darnet/forms/NSDAR-1000.pdf>
