

## *Stay in Touch*

In the past few years, we have learned that many members who normally cannot attend because of physical limitations or distance reconnected with their chapters via the ZOOM meetings. Have a member **ZOOM** the “in person” meeting to those unable to attend. This is a great way to keep those members connected to the chapter! Other technological solutions exist to include members in ***Real Time***, or ***Facebook Portal***. Find a member, maybe a Junior, who can help facilitate this. Follow up with your contacts. Your members may have suggestions for the best way to keep them engaged.
