Commemorative Events Committee

This committee was established in 1922 to coordinate and select national observances and to encourage state societies and chapters to identify and commemorate significant local and regional observances that promote education, historical and patriotic objectives of the DAR. The Commemorative Events Committee encourages chapters to become involved in at least one program each year to recognize selected major events in our amazing American history.

Chapters may submit their programs to the state chairman for consideration of commendation at the state, division and national levels. The deadline for chapter submission is January 15th.

Forms and further information can found at
