### **Committee Leaders Course**

Every organization needs leadership training to help members be engaged and to give information and direction to leaders. The Committee Leaders Course is designed to inspire, educate, and enlighten Daughters to be active and involved members.

The Committee Leaders course has been designed to fit into your busy schedule through online self-directed learning. The Committee Leaders course provides insight into DAR Committees and gives an overview on how to become an effective and successful team leader. If you are new to DAR or a member looking to learn more about committees, serving on and/or leading a committee, the course furnishes an in-depth overview that will give you the knowledge and confidence you need.

**If you are ready to start the journey, you need to meet the following:**

- Be a member in good standing
- Register by email with your State Coordinator, send your name (matching your DAR application), National Number, and chapter name
- Have an active subscription to the DAR Magazine, *American Spirit*
- Have a desire to self-learn to become a better informed and valuable member of your chapter and the organization

Access all course materials on the NSDAR Members' Website on the DAR Leadership Training Committee webpage at  
<https://www.dar.org/members/committees/standing-committees/dar-leadership-training/member-training-courses>

To enroll, contact Committee Leaders Course Coordinator Cyndi Valencia at the email above. I need your name (matching your DAR application), National Number, and chapter name. I will confirm you are in good standing and have a current subscription to *American Spirit* then welcome you to the course.

The Storage Administration has set course completion goals for both chapters and states. Awards will be given at Continental Congress for chapters whose officers and members complete all three leadership courses. Education Rings the Bell for Liberty!
