The DAR/SAR/S.R. Relations Committee was formed in 2022 by the Wright Administration as a service committee to encourage a partnership between DAR and SAR/S.R. chapters at a local, regional, and national level. Working with SAR/S.R. chapters will:

- Promote a working relationship that will benefit all organizations: through community centered events, through historic preservation, education, and patriotism. Additionally, it will help with growth in all organizations.

Contact SAR/S.R. groups to:

- Offer to give a program at a DAR/S.R. meeting. Invite a SAR/S.R. member to give a program at your chapter.
- Work together with a new member's workshop. Have joint meetings and invite wives/sisters/friends to attend. This will help both organizations to grow.
- Work together in the community to promote all organizations.

The Hannah White Arnett Medal is one of DAR's newest recognitions. It may be awarded to a member in good standing of the Sons of the American Revolution (SAR) for unselfish devotion, tireless efforts and assistance to the DAR; and who has dedicated his time, energy, talents, and/or resources to the organization in support and furtherance of the DAR mission of historic preservation, education and patriotism over a period of time. The bronze medal may be awarded at the Chapter level. Please consider awarding a member of your local SAR Chapter.
