

Illinois DAR History Book Update Directions

Chapter History 2010-2026

Our Illinois DAR history has been documented in books written in 1929, 1969, 1991, and 2010. This administration is tackling the tedious task of updating our history. But I can't do this alone. We can all work together and make this book OURS.

We're looking to the Chapter Regents, the Historians and even members to collect and submit the facts about your chapter's achievements since 2010. Each chapter should have a copy of the 2010 book. Simply add the important information to the existing chapter history. We're looking for events such as grave markings, placement of markers, special celebrations, and recognitions.

We need updated lists of Chapter Regents along with the years they served and list the members who have served as District Directors, State Officers, and National Officers. Include awards that your chapter has received National recognition for as well.

If your chapter does not have a copy of the 2010 book contact me and I will send you a copy. This way, you can see when to start with your new, updated information.

The deadline for your final history contribution is December 1, 2025. This project should not take long to accomplish. Once you have completed your updates, send me the **digital WORD document (.docx)** via email. We will proofread it for grammar and spelling, and may edit for length or content.

If you have any questions, please contact me!
