DAR LIBRARY OUTREACH

This service committee promotes co-operation between chapter librarians and local libraries. Chapter service projects in conjunction with local libraries should be reported to the state librarian. A photo and brief explanation of the project should be emailed to lorijhill3131@gmail.com. These projects will be forwarded to the North Central Vice Chair of Library Outreach for possible inclusion on the National website “Dazzling Daughters”. This website is a “marketplace” for Library Outreach ideas.
