Blooming Across Borders – Expanding Our Legacy

The Units Overseas Committee is Blooming Across Borders and Expanding Our Legacy to advance our Society's mission throughout the world. International members of 18 chapters in 12 countries and one U.S. territory are currently engaged in the work of the National Society Daughters of the American Revolution. Daughters living outside the borders of the United States have advanced the NSDAR mission of historic preservation, education, and patriotism since 1897, when the first overseas chapter was organized in Hawaii.

Our newest chapter is the Hercules Mulligan Chapter in Dublin, Ireland. Overseas chapters are actively seeking new members and associate members to bloom across borders by sharing ideas and promoting our Society's mission. Contact any of our Units Overseas chapters about membership or associate membership opportunities.

Illuminate our Legacy and support our DAR mission around the world by becoming an associate member of one or all Units Overseas Chapter(s). Support DAR and overseas Daughters in a country where you have family or friends, or your favorite travel destination. Your membership will strengthen our Society's connection with Daughters around the world. Our Units Overseas chapters need your support and look forward to your friendship!

- When you become an associate member of a UO chapter, you are eligible to purchase the official [Units Overseas pin](#) from the [DAR Insignia Store](#) and wear it on your official NSDAR ribbon. For each chapter you join, you may purchase an additional bar engraved with the name of the respective country to add to the official pin.
- Your associate membership will be listed on your e-membership member summary.
- Keep up with chapter activities by joining the Units Overseas Daughters Online Community (DOC). If you travel to your Unit Overseas chapters' home country, request to attend a chapter meeting!

This chair has created an updated Units Overseas PowerPoint Slideshow Presentation for 2025-27, suitable for a chapter program, which she will email to you at your request.

For more information: Visit the Units Overseas Committee Webpage:
